Dear Mr Fell

PROPOSED AIRPORT EXPANSION AT HEATHROW

Thank you for your letter of 23 April 2014 regarding the proposed airport expansion at Heathrow. First of all, I must apologise that you have not already received a reply but unfortunately the letter you sent was not forwarded to me and therefore I have only just received it.

In response to your comments, I have to disagree. Whilst clearly we take very seriously all issues affecting any part of Buckinghamshire, we do have a responsibility to take a balanced overall view on any major infrastructure development therefore, when we consider any proposals put forward with regard to airport expansion either at Heathrow or elsewhere in the South East, we will look at both the local impact and how it will affect the wider community in the South East.

I understand this is not the answer that you would prefer but I feel it is important that we take a balanced view on this issue in arriving at our decision on whether to support or oppose any recommendations on airport expansion.

Yours sincerely

Martin Tett
